MATHS INFORMATION SESSION FOR PARENTS

The first of a number of sessions for parents about how mathematics is taught in schools, led by school staff, will be held on Wednesday 16 September commencing at 6.30pm.

A number of parents have requested such a session, so this is provided by our teaching staff as a service to the community. Please feel free to come along. Full details appear elsewhere in the newsletter.

JUNIOR CHOIR

Congratulations to our junior choir who performed beautifully as part of the Primary Proms Concert at the Hills Centre last Thursday.

It was an excellent concert, and I was very proud of our choir. Thank you to Miss Moy who did a superb job preparing the children for the concert, after stepping in for Miss Andrew.

KINDERGARTEN 2010

Beginner Groups for children starting Kindergarten in 2010 will be held in November. If your child is starting school next year you will need to collect a Beginner Groups form from the office. Days are filling quickly.

If you have not already submitted an enrolment form for Kindergarten 2010, please do so as soon as possible so we can confirm our numbers.

LATE ARRIVALS/EARLY LEAVERS

It is the policy of this school that all children who arrive late to school (after 9.10am) must report to the school office **with a parent** to be signed in using the yellow form.

If you need to take your child out of school before 3.00pm you must go to the school office to sign him/her out (using the yellow form) before collecting your child from their classroom.

These procedures are in place to ensure the safety of your children and we greatly appreciate your assistance with this matter.

PARENTS PLUS MATHS COURSE

Parents are invited to attend the first PARENTS PLUS Maths Information Evening to be held on Wednesday 16th September. The course aims to enhance parents' understanding of the numeracy strategies used in primary schools. The first of five two hour sessions will trace students' acquisition of **Addition and Subtraction** strategies from early stage one through to stage three. In later terms, other information sessions on Multiplication and Division, Fractions, Measurement, Space and Geometry, Patterns and Algebra, Chance and Data will be offered. Parents may wish to attend some or all sessions.

Course: Addition and Subtraction
Where: School Library
When: Wednesday 16th September
Commencing: 6:30pm
Duration: 2 hrs

If you would like to attend, please complete the section below and return it to the School Office before Wednesday 9th September.
