

## ***Travel Arrangements – Milson Island 2009***

Our group will be travelling from Hornsby Railway Station on the train departing at 8:51 a.m. The journey to Hawkesbury River Station is approximately 30 minutes duration and we will meet a special ferry put on to take us to Milson Island. That ferry will depart from the wharf at Brooklyn.

Prior to our departure we need to mark rolls. We will do so at the meeting point listed below. After farewells, the students will carry their luggage onto the platform in time for us to organise the group into subgroups for ease of boarding the train.

### **Outward Journey:**

Meeting Time: **8:25 a.m. Monday, 21 September**

Location: If fine: War Memorial – west side Hornsby Station

If wet: Under cover at top of stairs from car park – east side

Ferry Departs: 9:30 a.m.

### **Homeward Journey:**

We will board our ferry from Milson Island in time to meet the train at Hawkesbury River Station for the train departing at 2:39 p.m.

This train is due to arrive at **Hornsby Station** at **3:05 p.m. Friday 25 September**

Parents should arrive in time to meet the students. It is expected that they will be tired and looking forward to seeing their family once again. Please be prompt.

Our students will ONLY be released to an adult. If your family cannot have a family member there at the appropriate time, it is essential that written permission is given for your child to go home with someone else.

Although this has been mentioned previously, I would like to stress that you child's luggage must be of a size and weight that is manageable for the individual child. There are stairs to climb at Hawkesbury River Station and again at Hornsby Station.
